Experience

Astro Guru Dr. UC Dwivedii

September 1986 - Present

I am professionally practising Astrology and Vaastu since 1986 onward. My first Guru, my grandfather Shri Mukund Lal Dwivedi was the expert on Astrology, Palmistry, and Vaastu. He has done many predictions. He was famous in all religions (in Dungarpur District in Rajasthan, India) and people use to take his advice for Health, Career, Marriage, Finance and Domestic related problems. My Father Shri Purushottam Lal Dwivedi has also guided me in this direction. I got my interest in Astrology by seen all this. I have done the research in Mantra at Ladhak region from Feb 1998 to Sept 2000. I have done the research in Pyramid with Jain Muni Shri Kishan Ji in his Ashram in Delhi.

I have completed my Astrology from M. S. University in 2006 and attended classes for Astrology and Vaastu from Shri Somnath Sanskrit University in 2010.

I traveled many part in India like Rajasthan, Gujarat, Maharastra, Andhra Pradesh, Karnataka, Goa, Tamilnadu, Kerala, Utter Pradesh, Assam, Meghalaya, West Bangal, Jammu and Kashmir and so on.

I also traveled out of India. China, Hong kong, Shri Lanka, Nepal, Italy, Sudan and so on.
